Speaking Topics

Why DEI is a Turnoff (and how to fix it)

A lot of DEI isn't working. As the co-founder of a company with equality baked in from the start, I discuss a new approach to creating more equal workplaces.

Anti-Racism and Workplace Allyship

How can white people be better workplaces allies? Here are some new ways of thinking about what allyship means and how to put them into action.

Writing for a Living

As a writer for more than 3 decades and a freelancer for more than 16 years, I share tips to help you build a successful writing career from anywhere in the world.
